

Collaborative Medicine Wheel Workshop

Join Art Between Us for a half day Workshop
to benefit our Collaborating Kids Project.

Come make Medicine Wheels with us. Connect to each other and to the cycles and rhythms of nature. We will use experiential collaborative explorations to explore energies and aspects of the four directions, the above and the below. Poetry, movement, music, nature, body and dreams will be used to weave the medicine of the Between and to conjure the wheels using various art and collage materials.
